

Horsemanship Courses

The Five Day Horsemanship Course is a great experience for kids who are interested in riding horses and learning about them too. We provide a safe & fun environment for children to not only ride horses but also to learn about everything else that goes along with them.

A Summer to Remember

Spend some quality time with the horses.

Looking for a summer day time activity?

Surfside Ranch offers 5 day Horsemanship Courses for riders age 7 and above. Participants will learn to groom, saddle, and care for horses as well as the basics of both Western and English riding styles. Daily horseback riding; trail, arena, and beach rides are all included. Not only will participants work with horses but they will also get time to play with the goats, pigs, llamas, alpacas, and chickens in the petting zoo. Everything culminates at the end of the week with a horse show where friends and family are invited to come see all the participants have learned.

Hours

Hours are Monday thru Friday from 9 am to 3 pm. Participants should bring a sack lunch & refillable water bottle daily. Extended drop off and pick up hours are available for a fee and must be arranged in advance. The course is in session rain or shine and extreme temperatures may limit riding. There are no refunds for missed days.

Age Restrictions

Ages range from 7 and up. Children under the age of 10 may have more limited riding activity due to weight, ability, and age.

Fees

The cost for the Five Day Horsemanship Course is \$300 per person. A half day course (9 am to noon) for younger children is available for \$150 per child. Multiple child and multiple week discounts are available upon request.
